EDUCATION

VIT Bhopal University

B.Tech. Computer Science & Engineering

June 2026

Current CGPA: 8.08/10

SKILLS

Programming Languages: Java, JavaScript, C/C++, SQL

Web Technologies: MongoDB, React, Node.js, Express, HTML, CSS, Tailwind CSS, JWT, TypeScript

Tools: GitHub, VS Code, IntelliJ IDEA, Firebase

EXPERIENCE

Full Stack Intern | Veritas Soft Solutions Pvt. Ltd.

Feb 2025 – Apr 2025

Implemented new features that improved user engagement by 15%. Optimized backend workflows and database queries, reducing API response time by 25%. Fixed high-priority bugs and improving overall application stability and scalability.

Space Tech Intern | India Space Lab

Dec 2024 – Jan 2025

Contributed to drone and small-satellite system testing, providing actionable insights that improved prototype efficiency by 25%. Participated in 3 project design reviews and proposed enhancements that were adopted by the team.

PROJECTS

Glide | React.js, Tailwind CSS, Firebase Auth, Node.js, Express, MongoDB, JWT | [View Project](#)

Sept 2025

- Developed a campus-based mobility platform enabling cycle lending and carpooling with fare-splitting.
- Adopted by 200+ students within the first month, facilitating over 500 successful rides.
- Increased commute efficiency by 40% and lowered average student travel expenses by 30%.

MockFlow | React.js, TypeScript, Tailwind CSS, Node.js, Express, MongoDB | [View Project](#)

June 2025

- Built to create, manage mock API endpoints from the browser, used by over 30 developers during testing.
- Enabled custom paths, methods, response delays, and real-time request logging across 50+ endpoints.
- Designed responsive UI with Vite and session-based mock server activation handling 100+ requests/day.

CropCart | React.js, Tailwind CSS, Firebase Auth, Node.js, Express, MongoDB, JWT | [View Project](#)

May 2025

- Built a full-stack agri-commerce platform enabling direct farmer-to-consumer product sales with 50+ active users.
- Integrated Google Maps for 100+ crop listings with location-based discovery and delivery ETA estimation.
- Added recipe-based suggestions, responsive design across devices, and real-time analytics via Chart.js.

ACHIEVEMENTS

- Secured AIR 963 in TCS CodeVita among 4 lakh+ participants.
- Secured All India Rank (AIR) 192 in the India Space Lab examination and selected for internship.

EXTRA-CURRICULAR

Media & Photography Team Co-lead | D2C Igniters Club

June 2024 – Present

- Led the planning, capture, and editing of visual content for club events and social media, enhancing the organization's outreach and engagement.
- Mentored junior members in photography techniques and post-production workflows, fostering a collaborative and creative team environment.

Video Editing

Apr 2023 – Present

- Produced and edited videos for university events and social media using Adobe Premiere Pro, ensuring high visual and audio quality.

Volleyball

Nov 2022

- Secured runner-up position in Inter-Branch Volleyball competition in "Aarambh '22 Sports Tournament"
